# MESSAGE FROM OUR DIRECTORS

September 30, 2020

To our Patrons,

In early 2019, it was determined by the Board of Directors of the Pelican Sound Golf and River Club that the time was right to create a charitable foundation to give residents an opportunity to contribute to worthy causes in Southwest Florida under the umbrella of a 501(c)(3) organization. We were challenged with creating a mission, developing a strategy and, most importantly, awarding and funding grants to qualified local non-profits and local chapters of national charities nominated by our membership. And so it began . . . the Pelican Sound Charitable Foundation.

Our strategy included educational sessions, fundraising events and opportunities for direct donations. And it worked. Our inaugural year exceeded expectations!

You have been extremely generous, and we anticipate another rewarding year in 2020-2021 and hope for exponential growth.

To say thank you does not seem adequate, but nonetheless, **THANK YOU!**

Please take a moment to read through our 2020 Annual Report and feel proud that you were part of this success story.

## OUR CHARITIES

In March 2020, the Foundation Board approved the allocation of funds to twelve charities that were qualified and selected to receive grants. The distribution of \$55,000 was approved and celebrated as a mark of the success of our first year. Below is a brief description of the 2020 Pelican Sound Charitable Foundation funded grants.

### **American Heart Association of SWFL** *Heart Heroes Program for children with congenital heart disease - \$5,000*

The Heart Heroes program is a long-standing residential camping adventure program in SWFL. It runs the entire year with a variety of family-based activities. Camp Boggy Creek, held in June, is a weeklong overnight program equipped to give children all the fun of traditional camp with an onsite medical facility and medical professionals to ensure their well-being. Children with heart disease have forged lasting friendships and memories over the past 22 years. Over 220+ children from Lee and Collier counties will participate this year.

**American  
Heart  
Association.**

### **Blessings in A Backpack** *Weekend meals for needy children - \$5,000*

Blessings in a Backpack is an organization dedicated to providing food on the weekends for elementary school children who might otherwise go hungry. In Lee County, over 32,000 children in kindergarten through 5<sup>th</sup> grade suffer with “food insufficient” homes. Some children in the school system receive free breakfast and free lunch daily, but what do these children eat over the weekend? Blessings in a Backpack provides four meals for children to take home every Friday during the school year. These children return to school each Monday with full stomachs and ready to learn.

## OUR CHARITIES

### Café of Life

#### *Replacement of commercial freezer needed for feeding those in need - \$2,000*

Café of Life's primary focus is on alleviating nutritional insecurity for working poor families and low-income seniors in the Bonita Springs area. The population is predominately working poor Hispanic families and new immigrants, but also has some homeless and a growing number of senior citizens (both Hispanic and non-Hispanic). Café of Life's feeding site requested a new commercial grade freezer to replace one that is failing. The freezer is used to store both donated food and the 50+ whole chickens provided each Friday to the families served.

### Charity for Change

#### *Curriculum renewal/development project to provide character education for children - \$5,000*

Charity for Change is committed to lifting children out of the poverty cycle by giving them the foundational skills essential to achieving their full potential. This is accomplished through character education, active charitable and community involvement and parental engagement. This is a unique comprehensive curriculum that teaches 19 essential character traits. The educational materials are over 12 years old and in need of updating. This grant supports the development of updated curriculum materials. Children from Immokalee, East Naples, Golden Gate and Everglades City will benefit from in-school, afterschool, summer school and Pre-K programs.

## OUR CHARITIES

### Habitat for Humanity

*Irrigation well for Heritage Heights community in Fort Myers - \$5,000*

Habitat for Humanity focuses on providing affordable housing through the building and rehabilitation of homes in Lee and Hendry counties. The population served are households whose income are at or below 80% of the Area Median Income.

Habitat constructed its first home in Harlem Heights in Lee County in 1980. With this specific grant, an irrigation ditch that is required by the county will be built. It is needed to maintain the vast landscaping that is required by the county. Habitat will build an estimated 150 new homes in Harlem Heights on the 24 contiguous acres of land currently owned by Habitat.

### Hearts & Homes for Veterans

*Equipment for clothes washing facility for Veterans in need - \$4,058*

The goal of Hearts & Homes is to end homelessness and reduce poverty among veterans in Southwest Florida. Over the past two years, Hearts & Homes has been transforming the Fort Myers warehouse and transport facility into a more efficient daily service provider for local veterans, specifically a laundry facility for operational use and for direct service to veterans. The grant will support the purchase of a washer and dryer, dishwasher, wash tub, electrical work and plumbing. The organization boasts that of \$.85 cents of every dollar going out is for veterans' services.

## OUR CHARITIES

### Interfaith Charities of SWFL

#### *Furnishings for Summer lunch program at San Carlos Park in Estero - \$4,431*

Interfaith Charities of Southwest Florida is an organization established to provide for those in our community who suffer from neglect, illness, handicaps or other difficulties. It provides hope and help for those in need. Interfaith Charities' summer lunch program serves approximately 96 children, ages 18 and younger. Free lunches are prepared by the Lee County School District. This is a "drop in" site with no registration required. Daily activities are also provided. This project funded classroom furnishings for the children's Summer Lunch Program. Three lunchroom tables, two bookcases and two toy bins have been purchased.

### Laces of Love

#### *Shoes for low income and disadvantaged children - \$4,511*

Over 60% of children in Lee and Collier counties are designated "economically needy". The mission of Laces of Love is to provide new shoes for these children and to educate the public on their needs. The funded project provides shoes to low income and disadvantaged children and sports shoes to student athletes who would not be able to play their sport without the appropriate shoes. Since 2005, Laces of Love has provided over 200,000 kids in need with new shoes. Shoes are distributed through the Lee and Collier county public school counselors, teachers, principals, school nurses and non-profit organizations that serve needy children.

### Literacy Council Gulf Coast

#### *Moms & Tots Literacy Program - \$5,000*

The mission of the Literacy Council Gulf Coast is to assist adults and children with acquiring the English literacy skills and education necessary to improve their quality of life. The Moms & Tots Literacy Program teaches mothers and their pre-school children the English language to help prepare the children to start school and be ready to learn and encourages a love of reading success. Mothers learn English so that they will be prepared to help their children excel in school and help themselves to find good jobs after their children start school.

## OUR CHARITIES

### **New Horizons of SWFL**

*Super Kids Club with after-school tutoring and mentoring programs - \$5,000*

Super Kids Club addresses the academic and social needs of at-risk elementary-aged children living in Fort Myers, Estero, Bonita Springs and Naples. Monday through Thursday throughout the school year over 400 children eagerly come to a Super Kids Club program near their home or school to receive the help and encouragement they so desperately need to succeed in school and life. Each year over 150,000 hours of tutoring and mentoring are received by these children.

### **Our Lady of Light Conference of the Society of St. Vincent de Paul** *Emergency Assistance Program for rent and mortgage payments - \$5,000*

With a mission to provide emergency financial and material assistance to the needy - while maintaining their dignity and privacy regardless of age, sex, religion, race or ethnicity - Our Lady of Light Conference of the Society of St. Vincent de Paul focuses on emergency assistance for those who are overdue on their rent or mortgage payments. Field representatives personally interview potential recipients. If Our Lady cannot assist, they refer clients to other local agencies.

### **Our Mother's Home**

*Mentored Living Program providing skills for teen mothers to care for their children - \$5,000*

The mission of Our Mother's Home of Southwest Florida is to keep teen mothers from human trafficking and other traumas by providing a safe, nurturing, supportive transitional group home. Their vision is to end the repetitive cycle of foster care and generational poverty that affects teen mothers and their children. The Mentored Living Program provides the specialized tools needed by teen mothers to care for their children. This project will serve 22 teen mothers (ages 12-21) and their babies (ages 0-4 years old).

## VOLUNTEER FAIR

As we began our inaugural year as the Pelican Sound Charitable Foundation, we identified many goals including fundraising, researching and identifying qualified, deserving charities for our Grants Program and educating Pelican Sound residents about who we are and what we do.

In November 2019, the Foundation sponsored a Volunteer Fair with a two-fold purpose. First, and most important, the Fair was designed to help residents discover where they might volunteer their time and talents in Lee and Collier Counties. Second, the Fair was organized to raise awareness of the many good charities in Southwest Florida and to generate an interest in giving to the newly formed Pelican Sound Charitable Foundation.

Twenty-two agencies participated and represented a wide variety of interests. These included agencies that focused on history, family and social services, as well as the environment.

The Volunteer Fair was held in the Pelican Sound Clubhouse and was very well attended.

## OUR FUNDRAISING EVENTS

The Pelican Sound Charitable Foundation hosted several fundraising events during the 2019-2020 season. Participants and attendees supported the Foundation while having fun in the spirit of friendly competition.

### Helicopter Golf Ball Drop

Pelican Sound residents stepped up to support the Charitable Foundation in a big way! On January 7<sup>th</sup>, our first fundraising event – the Helicopter Golf Ball Drop – took place on the driving range at the Golf Club. Residents purchased over 1,300 numbered golf balls that were sold for chances to win a variety of prizes. Str8up Aviation swooped in with their helicopter to pick up the golf balls, circled the golf course several times and then dropped them from the cockpit aiming for the marked hole. A 15-minute helicopter ride over the coastline was auctioned live at the event. At the end of the day, over \$17,000 was raised to help fund qualified grant programs benefiting Southwest Florida residents in need.

# OUR FUNDRAISING EVENTS

## Olympic Week

We hosted our first Olympic Week in February, boasting 742 participants in nine Olympic-styled events. Members participated in the Men's and Women's golf outings, the tennis and pickleball Davis Cup events and the bocce tournaments. The week also included a Game Day for Canasta, Mah Jongg and Bridge. Participants enjoyed beautiful weather, friendly competition and comradery among neighbors and friends. The week concluded with Saturday's Celebration Night where the Gold, Silver and Bronze ribbon recipients were announced along with raffle prize winners! And the best news . . . we raised over \$23,000 from participant fees and raffle ticket sales.

## OUR SPECIAL PROJECTS

During this first year, Pelican Sound Administration asked the Foundation to manage a “drop box” for donations of food and other items. After Board discussion, it was determined that qualified “special projects” could fall under the Foundation umbrella. Although we had not considered supporting other projects than the funded grant programs, the need was proven and the Foundation was able to provide marketing assistance. We received two requests this year to assist Pelican Sound with special projects, and we are proud to say that we helped make a difference in the lives of those around our Pelican Sound community.

### Laces of Love Shoe Drive

The Foundation was extremely proud to support the **Laces of Love Shoe Drive** this year. With over 60% of kids in Lee and Collier counties designated “economically needy,” the residents of Pelican Sound responded to the call for athletic shoes for school children who needed them. Pelican Sound residents have supported the Laces of Love in the past and, once again, stepped up to the challenge and collected 730 pairs of shoes. Over \$18,000 worth of children’s shoes were collected and distributed through the Lee and Collier county public school counselors, teachers, principals and school nurses.

Since 2005, Laces of Love has provided over 200,000 kids in need with new shoes, and we are proud to support this initiative that stretched over 10 days with “Neighborhood Champions” offering their homes as collection points.

# OUR SPECIAL PROJECTS

## Caring Hearts, Giving Spirits

When the Coronavirus pandemic began to wreak havoc across the country, work stoppages and business closures were prevalent. Jobs were lost, and there were extreme delays in processing unemployment benefits. Those who struggled to provide for their families on a day-to-day basis during normal times were faced with dire conditions and many people were in a position to need assistance for the first time in their lives. Many of these people began turning to local charities for help.

Café of Life and Interfaith Charities of South Lee County were faced with an unprecedented number of clients requesting food, personal hygiene products and diapers for babies. Several of our residents who volunteer at the agencies were contacted to request assistance. The residents asked the Foundation to assist in marketing monthly food drives within the community.

The Pelican Sound Charitable Foundation assisted neighborhood champions by establishing the **Caring Hearts, Giving Spirits** campaign and collecting depleted supplies for those in need in Estero, Bonita Springs and San Carlos Park. *We were determined to make a difference in the lives of our neighbors who live less than ten miles from our homes.*

Our **Caring Hearts, Giving Spirits** campaign was a huge success. Once again, Pelican Sound residents exhibited their generosity by not only contributing needed items but also making monetary contributions via the Foundation website. By the end of June, over \$6,000 worth of food and personal hygiene items and \$6,780 in monetary donations were disbursed.

## OUR CONTRIBUTORS

When the Foundation was established in the Spring of 2019, we identified three ways to encourage Pelican Sound residents to assist us as we strived to raise money to fund qualified grant programs.

Those three ways included:

- Direct monetary donations
- In-kind contributions and sponsorships
- Participation in fundraising events

### Friends of the Foundation

Our first fundraising appeal for direct monetary donations generated contributions from 64 households. To honor those who made monetary contributions to launch the Foundation, we have given these donors a special “one-time” designation of **Friends of the Foundation**.

Listed below are those “**Friends**”:
